MEMORANDUM FOR: Director of Central Intelligence

VIA : Deputy Director of Central Intelligence

FROM : Don I. Wortman
Deputy Director for AdministrationSUBJECT : Notice on FOIA, PA, and the Mandatory Declassification
Review Provisions of E.O. 12065REFERENCE : [] Responsibilities for Freedom of
Information Matters

1. Action Requested: That you sign the attached Agency notice on responsibilities for the Freedom of Information Act, the Privacy Act, and the mandatory review provisions of Executive Order 12065.

2. Background: [] issued on 13 March 1975 appointed John F. Blake the senior Agency official responsible for the administration of FOIA matters within the Agency. That notice also appointed Mr. Blake to the position of Chairman of the Information Review Committee (IRC), the committee responsible for formulating overall Agency policy with respect to FOIA matters.

3. Staff Position: With the retirement of Mr. Blake, it is now necessary to appoint a new Chairman of the IRC. At the same time, I believe it appropriate to reaffirm the responsibilities of those officials charged with the implementation of the Agency's programs with respect to FOIA. Since Privacy Act and mandatory classification review matters were not included previously, they are covered in the new notice. The new notice also designates the incumbent of a position rather than any particular person responsible for such matters.

4. Recommendation: That you sign the attached notice.
